Together We Succeed!

Connie Parker - Principal

Mindy Holman - Assistant Principal

December 2, 2019

Dear Parents/Guardians,

For the remainder of the school year we are going to change our current SR2 assemblies. As a school, we feel our students not only excel in Behavior or SR2 but also in academics!!! We will be highlighting achievement, attendance, behavior, musical/band ability, physical education, and character traits. Before we had our SR2 assemblies every month, now we will be having them on a quarterly basis in order to coordinate the dates with the end of every quarter and give our students the ability to excel in academics on a quarterly basis. Here are the dates of when the quarter ends and the assembly times.

Quarter Ends Dec. 19th assembly on Jan. 8th

Quarter Ends March 5th assembly on March 11th

Quarter Ends May 21st assembly on May 14th

The times will be 9:00-9:30 for Pre-K-2nd and 3:00-3:30 for 3rd-6th grades. Two time slots were decided because our little ones can only stay still for so long. This will also give us more room in the bleachers for parents to sit as well. Parents will be notified if your child will receive an award so that you may be present.

FES will still continue to have our Paws Time every Thursday!!!!

Sincerely,

Connie Parker

FES Principal
