Showcase Night

Thursday, May 9

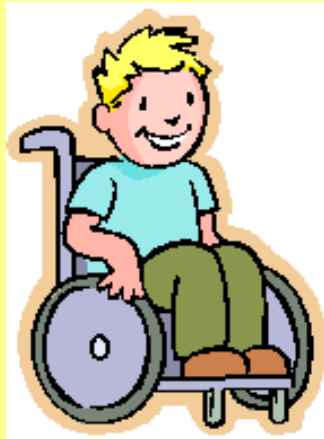

5:30-7 pm

Drawings!

Visit classrooms in Kindergarten through 5th grade to learn how we answered the driving question: How can we as a school community ensure access to our school so that everyone can safely enjoy our school, including playground equipment and outdoor activity spaces, taking into consideration, cost, legal issues, and a wide range of student needs and desires?

Learn from local vendors:
What resources are available in our area?

Prizes!

Fun & games!
