

## Parents Right to Know

As a parent of a student at Fremont Elementary School, you have the right to know the professional qualifications of the classroom teacher who instructs your child. This is a requirement for all districts that receive Title 1 funds. Federal law allows you to request certain information in a timely matter upon request. Listed below is the information about which you have the right to ask for regarding each of your student's classroom teachers.

- *Whether the Colorado Department of Education (CDE) has licensed or endorsed your student's teacher for grades and subjects taught.*
- *Whether CDE has decided that your student's teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances.*
- *The teacher's college major; whether the teacher has any advanced degrees, and, if so, the subject of the degrees.*
- *Whether any teacher's aides or similar Para educators provide services to your child and, if they do, their qualifications.*
